Sustain Tech transfers the personal data it obtains within the framework of the above-mentioned data processing purposes, limited to the purposes specified in the table above, provided that it complies with the conditions stipulated in Articles 8 and 9 of the Law and takes the necessary security measures.

Your personal data is collected in physical and electronic environments and processed for the purposes stated above."You can use the following rights specified in Article 11 of Law No. 6698 by applying to Sustain Tech, the Data Controller .

Rights of Personal Data Owner enumerated in Article 11 of Law No. 6698

- To find out whether your personal data are processed or not,
- To request information if your personal data have been processed,
- To find out about the purpose of processing your personal data and whether they have been processed for the intended purpose or not,
- To find out about the third parties to whom your personal data have been transferred either domestically or abroad,
- In the event that your personal data have been processed incompletely or incorrectly, to demand the correction thereof and to ask for the actions taken in this respect to be notified to the third parties to whom your personal data have been transferred,
- Although it has been processed in accordance with the provisions of Law No. 6698 and other relevant laws, to request the deletion or destruction of personal data in the event

that the reasons for its processing disappear, and to request notification of the transaction made within this scope to third parties to whom personal data have been transferred,

- To object to the emergence of any consequences to your detriment through the analysis of your processed data exclusively by automated systems,
- To claim for any damages that you may incur as a consequence of the illegitimate processing of your personal data.

Please ensure that you provide identification documents that verify your identity along with your application.

You can submit your requests regarding the rights specified in the law to Sustain Tech either through a handwritten and signed letter clearly indicating which rights you want to exercise or by using the application form available at <https://sustaintech.com.tr/girisimci-basvuru-formu/>. Please ensure that you provide identification documents that verify your identity along with your application. If you are acting on behalf of someone else in the request, you must have the specific authorization to do so, and this authorization should be documented.

Your application should include your identity and address information, and you should attach the necessary identification documents. Sustain Tech will respond to written applications, including the specified requests, sent by the relevant person or their legal representative, within 30 (thirty) days.
